

# BLESS YOUR ANOINTING OIL

Use this prayer, as led by the Holy Spirit to  
bless your anointing oil.

In the name of Jesus Christ, I mingle this oil with  
the Blood of Jesus. In the name of Jesus, I  
decree this oil is holy. I decree in the name of  
Jesus that wherever this oil is applied will be  
holy ground. In the name of Jesus, I decree that  
when this oil is applied healing will take place,  
demons will flee, and the protection of God will  
be released. In Jesus's name, I decree this oil is a  
spiritual tool used to sanctify, bless, protect, heal,  
and invoke the power, presence and Spirit of  
God to be active and at work on our behalf, in  
the name of Jesus. In Jesus's name, I bless this  
oil. Amen.
